LETTER FROM THE PRESIDENT

Welcome to the 23rd Kelly McGillis Classic!

I want to welcome all the teams and fans to the island and thank all the team contacts who have organized their teams. Thanks to everyone who booked your stay

through the IWFFA, which helps to subsidize the tournament! Many thanks to our team owners, officials, advertisers, sponsors, volunteers and all who make this event possible!

There are no big corporate sponsors funding this tournament. It is the Mom & Pop / local businesses who are supporting the tournament! I ask our teams to patronize the advertisers you see in this tournament program, because if we didn't have their support, we could not afford to produce the tournament. Please let them know you are with the Kelly McGillis Classic!

Kelly McGillis - Actress

Once again, Kelly McGillis joins us to celebrate our 23rd tournament. Our name sake has brought lot's of media attention to the event as well as lot's of fans. It's really great to have Kelly with us, because of the extra excitement she brings to the island and the field. This year, we honor Kelly as our official Ambassador and life time member of the IWFFA. Kelly will be our Grand Marshall for our parade and will be involved with media promotions, presenting awards to our teams as well as participating in our social events this year! read more about Kelly in our Who's Who

Jr. Grand Marshal - Bethany Blazetic

Someone special this year is our Jr. Grand Marshal for our parade - Bethany Blazetic - a 12 yr. old whose high level of athleticism brought IWFFA attention to her this past summer. Read about her in who's who.

Team El Salvador

We are proud to sponsor, and I would like to give a warm welcome to, our newest team from El Salvador and their coach, Roberto Cerna. This marks the first year El Salvador is represented in our competition, and so we add another flag for the International Women's Flag Football Association. For all these years, the Kelly McGillis Classic has sponsored many international teams from Puerto Rico, Norway, Sweden, Denmark, Iceland, Finland, Scotland, Mexico

and Canada, helping to make the tournament more competitive, diverse and to showcase female flag football from other countries. We can witness the different styles and talents women's flag football demonstrates from around the world, as well as from the different regions throughout the U.S., which truly highlights some of the best female flag football ever!

And with every new country we bring under our IWFFA umbrella, we develop even further the unique female style of playing flag football. Immediately following the tournament, the IWFFA travels to El Salvador, Guatemala, Nicaragua and Panama for it's 2014 Promotional Tour conducting clinics for players to help organize the IWFFA- ASFA Central American Region. Read more about the promotional tour in our Forward Pass Magazine.

Team Owner Program

Ever since we initiated the girls divisions in our tournament (1999), we have sponsored all the local school teams!. Girls and their schools pay nothing to compete in our Kelly McGillis Classics. We are able to afford the program by soliciting Team Owners, who financially support our: Monroe County Schools Girls Flag Football program. Special thanks to: Pribramsky & company, Blue Heaven Restaurant, Sunrise Rotary Club, Cuban Coffee & Fury Water Sports, Wheatons Automotive - Key Largo, GNO and Southernmost Challenge. Please read more in our who's who.

We invite our players to coach a girls team and officiate in this year's tournament!

This tournament is not your ordinary sport competition. In addition to the games, it's about camaraderie, socializing, using the sport to teach skills and to practice special skills. How important it is for our young female athletes to see older female athletes as role models so they understand they too can take the lead when they get older. In addition to offering the chance for any player to coach one of the local teams, the tournament encourages players who are also female officials to step out onto the field when they're not playing to officiate. The IWFFA has done this for all it's years in our Scandinavian tournaments which has created a healthy and wonderful competitive environment. Some may think that there is an unfair advantage to officiating while competing in a tournament... not true. Please sign up to either coach, officiate or both.

CONTINUES ON P. 4

This year during the weeklong event, we offer two clinics: Player and Officiating. Three years ago, in 2011, the IWFFA recognized the need for good quality officials for our tournaments and leagues. During 2012, the IWFFA spent much time in Scandinavia conducting officiating trainings, where today, there are many female officials for flag football. Here in Key West on Tuesday and Wednesday, January 21 and 22nd, we offer our members the opportunity to participate in these clinics. If you would like to have such a clinic in your city, contact our office.

The 7th IWFFA World Challenge Game will be played after all the Kelly McGillis Classic Divisional Championship games are over. And this year, a tie will be broken and one group: USA or International All Stars will be on top. Read about this year's game in who's who and also Team Responsibilities

2014 IWFFA Sports Girl Award & IWFFA Central America Sportswoman - we have recognized since 2004 the IWFFA North American Sportswoman award and then added in 2006, the Nordic Sportswoman award. This year we will also decide the 2014 IWFFA Sports Girls & Central America Sportswoman, which will be presented at our 24th Kelly McGillis Classic. See our website for past recipients: <http://www.iwffa.com/IWFFAsportswomanaward.html>

Women should rule their own sport! Women need to control their own sport. We know what we want. That was the purpose of creating the IWFFA, so that the women could decide what rules we would use and how the sport should be governed, in order to ensure quality flag football for all females. The IWFFA was the first-ever International Women's Flag Football organization, which grew from the very first National Women's Flag Football organization (NWFFA). The women made it happen. Women have been the frontrunners for flag football before it was popular. And now it's more important than ever for women to unite. If you want to support this effort – sign up and put your energy into the growth of female flag football.

Check out the list of 2014 IWFFA tournaments - We have added tournaments in the USA and abroad and we hope to

see your team there, or yourself as a "loose woman".

Camaraderie

We have spent much time in developing social events for this tournament. This year the nightly "crazy parties" are fantastic! Every night we have a party/social event which you will enjoy. Please do not isolate yourself from the other teams. We are here on the island to enjoy the games and the camaraderie of our peers as well as to learn good flag football and good sportship. Take advantage for the presence of the players from other countries and across the U.S. and have a ball!

Twisted Team Costume Contest - The team who wins this "crazy" event at our opening ceremonies will have their photo on the back of EVERY twisted tea bottle !!! Buy a bottle with your team photo on the back and give them out as gifts to your friends and family...mom would be proud:)

"Crazy" parties and events this year will give team competitions prizes and points each night. A grand prize will be awarded at Sunday Awards to Team with most points. Sponsored by: Twisted Tea, Samuel Adams and Angry Orchard.

Blue Heaven and Salute Restaurant Team Owner since 2010

Blue Heaven Restaurant - On September 19, 1992 Suanne the artist and

Richard the writer cooked and served black beans, rice, and fish to their first lunch customers on the painted picnic tables under the tropical almond tree of their fine outdoor dining area. Before then, through the years, the property has hosted cock fighting, gambling and Friday night boxing matches refereed by Ernest Hemingway. A dance hall, a bordello and a playhouse have occupied the second floor. Today inside the Bordello Gallery above the restaurant, one can still peek through the sliding peep holes into the tiny rooms.

The restaurant has grown, just as the history and stories of the property itself, and has turned into one of the most fun, delicious and popular places to dine. Blue Heaven contributes and supports the community heavily over the years. And their owners are active citizens to better conditions for all.

Key West Sunrise Rotary in the Conch Republic - 2nd year Team Owner

Their financial support for so many causes has made the Sunrise Rotary an integral part of our Keys community.

Key West Sunrise Rotary Club in the Conch Republic was started in 1988. Local Rotarians felt that it was important that Key West have a Rotary Club that welcomed women members so a group of individuals got together and chartered a new club. The first President was Roy Anderson, who later was elected District Governor for Rotary District 6990. Charter members were: Steve Henson, Kim Works, Rich Welter, Percy Curry, Sparky Carbonell, and Mike Horne. Thank you to this amazing group for recognizing that "Service Above Self" includes everyone both men and women!

► IWFFA – International Women's Flag Football Association

The International Women's Flag Football Association (IWFFA) is an alliance of girls and women's flag football teams, leagues and individual players from around the world. An organization run by women.

Our mission is to provide an opportunity for all females regardless of race, nationality, age, economic status or sexual orientation to enjoy healthy competition, have fun, develop teamwork skills, learn fair play, good sportship, standardize rules of the game, create new teams and unify exiting teams and leagues to help organize the sport.

Our goal is to promote the educational process, assist our players through our tournaments, trainings and promotional tours to build self-esteem, confidence, enhance leadership skills to better compete in the business and political world to one day have peace and to professionalize the sport of flag football for women.

We are a central office and support for girls and women's flag football, rank teams internationally, offer discounts for equipment and offer education and trainings in regions of the world where the sport does/does not exist. We also offer scholarship funds to underprivileged teams so that they may compete in IWFFA tournaments.

► Key West Women's Flag Football League

(KWWFFL) The KWWFFL started back in '91 with 3 teams of women on the island. Not having more competition than that, the league decided to bring teams to the island for more competition which started this whole tournament thing! The KWWFFL is the only sports program in Key West, which does not charge any registration fee, and supplies teams with equipment and training. We hope other women's teams will offer girls the opportunity to play.

► 7th IWFFA World Challenge Game – USA All Stars vs. International All Stars

Sunday, January 26th, after the final Kelly McGillis Classic championship game is played, our 7th IWFFA World Challenge Game begins!

Since 2008 we have pitted our USA all stars vs International all stars in this exciting competition. Defeating the American team last year, the International athletes have tied the score which currently is: USA 3 vs International 3. So, this year's World Challenge will be exciting to see once again, who will be on top.

Teams are allowed to choose players from the tournament, from all divisions to help decide who the national and international all stars will be. Because there are more USA teams than International teams, we allow those born in other countries (playing on US teams) to join the international team. Make sure to communicate with us at the information table if you are a nominee for the World Challenge.

► Actress Kelly Mc Gillis - Our Name Sake

Kelly McGillis was born in Newport Beach, California, to Joan, a homemaker, and Donald McGillis, a general practitioner of medicine. She decided to drop out of high school to pursue a career as an actress and eventually attended Juilliard in Manhattan and Pacific Conservatory of Performing Art in Santa Monica, CA. She held a variety of jobs while pursuing her career, such as waitressing, and snagged a few stage roles before landing a supporting part in the Academy Award nominated Reuben, Reuben (1983). This led to a lot of TV work and a lead role opposite Harrison Ford in the highly acclaimed thriller Witness (1985). This box office hit, directed by Peter Weir, got her noticed around Hol-

lywood and producers took note of her. One of them was Jerry Bruckheimer, who cast her as Charlie Blackwood in the mega-hit *Top Gun* (1986) which became the highest-grossing film of the year and gave her some major name recognition. Ironically, that breakthrough role didn't help her career in terms of high-profile work. She played prosecutor Kathryn Murphy in *The Accused* (1988) with Jodie Foster who won an Academy Award for her role, but unfortunately for McGillis she was overlooked for any major nomination. Never interested in being box-office gold, she remained loyal to the theater, even after being established as a major star during the mid to late 1980s, taking such various stage roles in such William Shakespeare plays as "The Merchant of Venice", "Don Juan", "Twelfth Night", "The Merry Wives of Windsor", "Mourning Becomes Electra" and "A Midsummer Night's Dream". In 1994 she scored the title role in the Broadway production of "Hedda Gabler" but unfortunately it only played for 33 performances before closing. She had two daughters in the early 1990s, and worked more sporadically on TV and film so she could spend time with her family and downed her business, a restaurant in Florida. She worked on *Winter People* (1989), *Cat Chaser* (1989), *The Babe* (1992), *North* (1994), *At First Sight* (1999) and *The Monkey's Mask* (2000) as well as a string of made-for-TV films. She has completed a national stage tour of "The Graduate", playing the infamous Mrs. Robinson, and continues to act as she now focuses her life on *Addiction Studies*. She also has starred on the *Loose Women's Team*, given out awards to our players, and has supported this tournament with her name.

Games slotted 1.5 hr & most likely will be: 8:00AM / 9:30 / 11:00 / 12:30 / 2:00 / 3:30 / 5:00 / 6:30 / 8:00PM

Information & Merchandise Tables

These tables are where you will pick up and return your Score Cards (required by each team), can see updated scores of games and team results. There will also be a lost & found and answers to your questions. Tournament tee shirts, tanks, IWFFA hats and more items will be available here for purchase.

Score Cards - Before you play your game, make sure your team has a SCORE CARD. Fill out, return to report: Score of game, MVP picks for Offense & Defense for your team and your opposing team, All Star Picks and World Challenge Picks.

World Challenge Game - We use the Kelly McGillis Classic to choose all stars from the tournament to play in our last and biggest game: World Challenge Game VII. It is our International All Stars vs USA All Stars. If you are a highly skilled player (no matter what division your team plays in) and have desire to play in the World Challenge - Sign up at the Information Table.

Studio 5 Inc. - Studio 5 Inc. will Film our World Challenge Game (highlighting the competition), in addition to other games and interviews with our teams, players, fans and side line action. Once finished, we will notify all our players and teams.

Half Time Entertainment - Michelle Dravis performs her famous half time show for us during the World Challenge Game half time. She has been one of Key West's most popular entertainer and top female artist, and boy can she sing! (by the way, she will also perform for us at our women's awards).

Water Bottles – Players are encouraged to bring their own water bottle. This is good for the environment.

Ice Water Coolers

The IWFFA will provide ice water in coolers for our players which will be available at each side line. Please do not put your own sodas or drinks in these coolers. This makes the water dirty and is not fair for the next team playing on the field (yuck!). Beverages, Gatorade will also be available for sale at our concession stand.

KW Rescue - First Aid Station on field

We will have a minimal first aid station near or at the information table. If an ambulance is needed our field directors can call one for you. If you have a non-medical emergency and would like to be taken to the hospital, we can provide a driver to get you there. We also have medical clinics in Key West as an alternative option for players who do not have a serious injury. Check with your field coordinator for assistance. We want to thank KW Rescue for supplying us with a packed first aid kit.

Field Coordinators – Will be on each field taking reports on all the games. They will check rosters and have copies of IWFFA rules, score cards, all star select picks sheets in their possession. Any protests will be noted and recorded by them. They are our “mini”- tournament directors.

Press Box - Tammalan Walker & her special guest will be hot on the mike as she lends her famous special brand and style of announcing all the exciting field action for game to game coverage.

Food – You do not have to bring food, we will have at affordable prices at the field food concession. Laura and Jim will head our food concession and offer breakfast, lunch, dinner and snacks. Baby's Coffee, Burgers, Hot Dogs, Pizza, Fresh Cuban Sandwiches and more. Volunteers from First State Bank are manning the grills so be nice and tip them well!

Twisted Tea & Pepsi Half Time Games

- All are invited to participate! Half time games and contests will be held on the main field throughout the tournament at the end of each game. We will have contests for our fans and spectators including longest kick, accuracy – field goal attempts, furthest throw relay races, wheel barrel races and more. Prizes awarded to the winners thanks to Twisted Tea and Pepsi.

Accuracy Football Throw - Try to throw the football in through the hole - win prizes - thanks to Twisted Tea and Pepsi.

Raffle Tickets - When our raffle people come with the tickets...get your money out! This year, we offer fabulous prizes donated by local businesses. Snorkel trips, dinners, jewelry & real Key West novelty items. Everyone buys raffle tickets because the prizes are soooooo good! Winners will be drawn three times daily. You do not need not be present to win (just print your name and number clearly on your tickets)

Bathrooms: Located in the middle of the 3 playing fields. Let us know if we are running low on T.P. and please keep them clean!

RECYCLE & Keep It Clean - This year teams will be penalized \$25 for NOT RECYCLING! There will be plastic bags hanging on the field fence. Please dispose of all glass bottles, plastics and all recyclables in them!

Volunteers – If you would like to help out with the event, please do. There is always plenty to do. Come to the information table to offer your assistance in any way. We would like to thank First State Bank again this year for offering their employees. For past 12 years, First State has given us more volunteers than any business in the Keys.

No open alcohol beverages are allowed on any field at any time! Violators will be asked to leave the area.

We hope you had a great time this year! and hope to see you at some of our other 2014 IWFFA tournaments and next year's 24th Kelly McGillis Classic - Tell us when is best date for your team.

Tips and info about your IWFFA / Wilson Jr. All Leather Premium Footballs:

- ◆ Take air out when you travel in plane (In higher altitudes air pressure increases and ball could pop)
- ◆ How much air should the ball hold? 13 lb. of pressure
- ◆ Balls are expected to last only one year (they are not long term or life term investments)
- ◆ Break in a brand new ball before using it in a game. As a matter of fact, there is a special brush to roughen the ball up to get a better grip.

- ◆ Allow ball to dry after getting wet (it's not the end of the world, and take it out of your sports bag to dry).
- ◆ After the game just place ball to sit on paper news paper and in a normal tempered room (don't even think about the micro wave – remember what happened to that old lady's dog)
- ◆ Should you use stickum on the ball? No, no, no.
- ◆ Should a separate ball be used when kicking? No. The ball withstands kicks.
- ◆ If you notice the ball is getting softer after so many kicks, then you probably have a SLOWWW leak.

Why do we use a leather ball? (and not the less expensive rubber or composite balls?)

2014 IWFFA CIRCUIT OF TOURNAMENTS

Kelly McGillis Classic International Female Flag Football Championship & World Challenge, Key West, FL.	23rd	January 20 - 27, 2014
San Salvador, El Salvador	1st	April 26-27
Hjorring, DK	8th	May 10 - 11
Noreen Halcon Memorial, Salinas, CA.	2nd	June 14-15
Oslo, Norway	14th	July 5-6
Asbury Park, NJ	3rd	July 26-27
Nicaragua	1st	August 23-24
Gothenburg, Sweden	14th	August 30 - 31
Kate Clinton Classic, Ptown, MA	9th	September 20 - 21
IWFFA / Norway Women's Nationals Grimstad	1st	September 26-27
Puerto Rico	1st	November 8-9

Have you no respect for the game! PIGSKIN, was the original material (after they got tired of using the bladder from the cow and other animals – depending how far you want to go back). And so in tradition, pride, and standardizing rules and equipment, we go with tradition. There is nothing like the “feel” of a premium leather grade ball, which is the one we use. Of course, it gets heavier during rain, and is more difficult to throw in the snow..... And that is what the game is all about. When the going gets tough, the tough get tougher. By the way, now we use cow hide (so much for tradition). And we use the JR size because women and girls hands are not as big as the men or boys (it doesn't make sense to use their size).

Can you use some other type of football during tournament play? Not in our IWFFA tournaments. In addition IWFFA rule

states: “only one game ball will be used and provided by the tournament”. It is the Wilson TDJ all leather premium grade football. This was to save time for ball exchanges – which amazingly some teams used an extraordinary amount of time to get their ball onto the playing field (we found a correlation under certain game situations).

Did you know that our balls have the IWFFA logo printed right on our TDJ Wilson All Leather Premium Balls? They make great gifts, not only for the QB's but for centers, receivers, running backs, offensive line, defensive team, fans and especially the players on the bench!

You can order your very own ball direct through the IWFFA @ \$35 (for members) ★

FIELD / TEAM RESPONSIBILITIES

Please Check Information Table first thing every day for any updated changes.

Read This Entire Program – Know what is going on with our 23rd Kelly McGillis Classic!

Tournament Director this year will be: Diane Beruldsen, President Founder of IWFFA – Any problems, questions, or concerns, please go to Diane. And don't be afraid to share good comments as well. (See who's who)

Head Official – Mark Walker - Any questions, are best to ask during Captain's Meeting during Meet & Greet, otherwise, catch him at the field. (See who's who)

Team Contacts - do we have your correct cell phone # - Make sure, if you are a team contact, that the tournament director has your current cell phone number in case we have to contact you during the tournament.

Flag Belts - Each team is required to provide their own Flag - A-Tag WFVS Sonic Belts. You may purchase belts at our information table, but supplies are limited. Order direct through our IWFFA office and save - \$60 per dozen.

Footballs - The tournament will provide each field with the official Wilson, TDJ all leather premium game football. Footballs may be purchased at our merchandise table. \$40 to non-IWFFA members / \$35 for IWFFA members. Check out our IWFFA LOGO and get your own IWFFA football. Buy now and avoid shipping charges.

Pennies - Teams need to designate their 3 offensive line players. We suggest you use the mesh type to show player numbers and sleeveless, so they are not so hot. If you do not have your own, you may purchase at information table.

Player Pre Check - Team Line-Up Prior to Game – 10 minutes before game time
We ask teams to come to field 10 minutes before game time, to line up on side line for player check (belts tight with flags on sides, proper size flags, proper fitting for belt sockets to ensure proper pull, non-metal cleats, no jewelry), and roster check. We will check to make sure all players are legitimate (we ask players to carry photo I.D. in their sport's bags in

case there is question of your identity), and also to make sure shirt numbers match the roster (to aid in world challenge and all star selection). Please do not switch shirt numbers during tournament. Remember no pockets allowed on your shorts or sports pants, and you are not allowed to tape pockets! If your team feels the opposing team has an illegitimate player on the field, call time out and tell the head official who will check the roster. We truly appreciate your team's cooperation in making the pregame check run smooth.

Designated Voter

Each team should have one person responsible to pick up and return scorecards. Teams vote for their team & opposing team's MVP offense /defense, pick all stars for each division, nominate world challenge picks & rate the official's performance. They also report the final scores. Score cards may be picked up at information table and need to be returned immediately (so we can put the scores up on our score board!).

Positions to Choose for our All Stars Teams

Offensive Team: QB, 2 Receivers, 2 Running Backs, Center, 2 Guards, Punter
Defensive Team: 3 Primary, 3 Secondary, 2 Safety, Kicker

IWFFA World Challenge VII Nominations

Current record is: International All Stars - 3 vs USA All Stars - 3.

We allow teams to nominate players from your and opposing teams for our World Challenge Game. If you have a nomination, write on back of score card. Include Name (or shirt number), Team, Position. We also, allow players themselves, who feel they are All star quality, to sign up. Just after the 2nd to last championship game, the all star posters will be posted by the info table. You may also check throughout the tournament to find out if you have been nominated to play so you can be ready for the last game of the tournament. Immigrants playing on American teams are invited to join the International All Star team. The game will be filmed, cut and edited.

Each team will have maximum of 12 players (so players will have to go both ways)

Score Boards

We have a quadruple secure system, where we take scores of games from both teams, field coordinators and head official. However, we encourage players to check their scores throughout tournament, to multiple-

FIELD / TEAM RESPONSIBILITIES

check! They are located next to information table. Scores can be a deciding factor in determining ranking of teams for the play-offs.

Chain Gang / Team Schedule – Every team is responsible to hold the chains when they are not playing. We use a chain gang schedule, to see when your team is scheduled. The chain gang schedule will be given at the meet & greet captain's meeting and listed on our tournament web page. Check your team's game times to hold the chains. Penalty for failing to hold chains when your team is scheduled \$25 per missed game.

Side Lines

Teams are responsible for their sidelines or else they will be penalized. This includes behavior of their team and their fans. 15 yard penalty for unsportlike behavior.

Players registering late – Players who could not attend the meet & greet and who applied for a: "late registration at field" should go to the information table to register BEFORE you play your first game. Show your photo I.D., and IWFFA membership card. You will then be checked off on your team roster which our Field Coordinators use to check players prior all games. If you are not cleared, and begin your play, you will be deemed an ineligible player and your team will forfeit the game. You must register before you play!

IWFFA Medical Information – Every U.S. team is covered for up to \$25,000. There is a deductible. If you have an existing medical insurance, our insurance kicks in as a second insurance. If anyone gets injured during the tournament, you MUST report to us as soon as the injury occurs!

Playing against a team with same color shirt - If your team is playing against another team with same color, we will loan pennies for one team to use during that game. Come pick up at information table.

No Switching Shirt Numbers - Some teams have two sets of shirts, so that if they come up against a team with same color shirt, they use their 2nd set. But, if you switch colors, make sure you keep same number. You must keep shirt number you have on your roster

NO Soliciting - In order to make our social events

successful, we ask our players to patronage sponsored tournament events (which you can easily see in our program). Outsiders, who may step onto our turf, and try to promote their goods, services, and parties outside of our program, are taking away our opportunity to raise money for our organization. Think about the people who have worked on this event for 22 years! We truly would appreciate loyalty from our players and members..... please. Solicitors will be asked to leave if found soliciting on our fields!

Liquor on the field- We strictly enforce the law and prohibit consumption of any alcoholic beverages on the public field. Violators will be given a summons and asked to leave the premises if caught drinking alcohol at field. Some of our prizes may be liquor or beer, but they should be consumed elsewhere (for more enjoyment)

WE RECYCLE! - Keeping it Clean on the fields and helping with bathrooms

You may dispose your garbage in trash cans – located all around the complex, and recycle your recyclables (plastic bottles, papers, etc.) in the designated areas. If there is a bag getting full, please let us know and we will change it – tell us at the info table. We greatly appreciate your thoughtfulness and help. Also, if you notice the paper is running low in the bathrooms, or if there are any floods, let any of our volunteers know and we will take care of. Thank you.

Security

We will have Volunteers at the field and hope that should they have to speak to anyone, that they only have to ask once. Please abide by our directors, officials, volunteers and be nice to the other teams. Thank you for doing this.

We welcome all comments regarding the tournament, and ask that any criticism reported be accompanied with written suggestions to better any concerns. Email us your comments : iwffa@iwffa.com, following the tournament, which are most helpful as we save these and keep on file for future tournaments. If you could send us within two weeks following the tournament it is best, but all comments at any time are welcome. Good comments are also appreciated.

Sanctioned IWFFA Leagues - If you are NOT a sanctioned IWFFA league and are interested in our program contact our office today.

Have you been taking proper care of your Sonic Boom Flag Belt?

By Ed Gonzalez

Time to get those crusty old flag belts from the closet, hose them down and pack them up for the long awaited trip to Key West! But have you ever wonder if those old flag belts performance will decrease over the year?

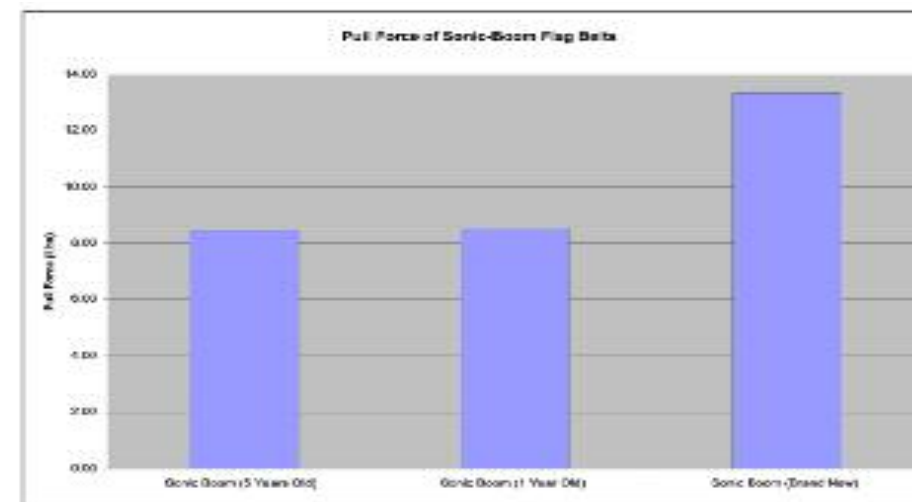

Recently, I came up with the idea of testing the performance of the Sonic-Boom flag belt as it ages. The experiment was simple. I would evaluate the Sonic-Boom flag belts bought on 2004, 2008 and a set of un-open brand new flags. All of these flags where acquired through the IWFFA. For the experiment, I selected 10 belts from each group and obtained the force required to "pop off" the flag from the belt.

As results, the brand new flags required nearly 14 lbs of pull force to "pop-off" while the older flags popped off with just over 8 lbs of force. These, six pounds of force might seem miniscule now but when you are in pursuit of a player and go after her flags and you successfully grab it and somehow it slips off your hands, you will tell yourself: "If only I would grabbed the flag just a little bit harder!"

Note that the difference between the pull force on 1 and 5 year old flag belt is nothing. This might occur

	Average Pull Force (Lbs)	Standard Deviation (Lbs)
Brand New Flag Belt	13.33	0.94
1 year old Flag Belt	8.50	1.64
5 year old Flag Belt	8.46	1.97

because after those flags get plugged onto the belt, the rubber male and female plugs will begin to deform to fit it's partner. This causes less friction between the plugs which decreases the amount of force required to "pop off" the flag from the belt. Therefore, it might be best to keep the flags separated from the belt until game time.

Remember that taking care of your equipment is a crucial part of playing sports and although your flag belts might seem indestructible, they do wear out quickly. Next time you store your flag belts, make sure to disconnect your flags from your belt so that they may last a little bit longer. After all, they are a very expensive piece of equipment.
