# LETTER FROM THE PRESIDENT

## Welcome to the 25th Kelly McGillis Classic

I want to welcome all the teams, players, officials, and fans from USA, Guatemala, Honduras and Sweden to the 25th Kelly McGillis Classic International Women's &

Girls' Flag-Football Championship! We have been preparing for your arrival and are ready to entertain you! It's not just games during the IWFFA tournaments, but social events, half-time games, clinics, speakers and celebrities in addition to flag football. Kelly McGillis will also welcome teams. We are excited for our 25th celebration. Many thanks to the businesses and individuals who have supported this year's event, I ask you to patronize the businesses you see in this program.

The Kelly McGillis Classic has been powerful for women's flag football. As a result of our success bringing hundreds of national women's teams to competition, in 1995 we organized the first National Women's Flag-Football Association (NWFFA). In 1997, with Canada and Denmark entering the competition, we switched gears and started the first (and only) International Women's Flag-Football Association (IWFFA). Since then, we have been traveling all over the world introducing the sport to various countries: Norway, Sweden, Denmark, Iceland (Nordic Region) and recently Cuba. Two years ago, we opened up a new region for women's flag football: the Latin Region. We have sanctioned tournaments in: Guatemala, Honduras, El Salvador and Cuba. We are uniting female flag football under one umbrella to make us strong and organized: women running our own sport. It makes sense doesn't it?

The Kelly McGillis Classic has been credited with furthering the success of women's tackle football. In 2001, our flag-football players were recruited for tackle. Decades before, tackle had been unsuccessful in establishing itself because it lacked enough teams. But with the number of flag-football players who turned to tackle, the women's tackle movement has since been successful.

We will hit the road for 2016 - to build our North American tournaments. We will once again travel as we did in the 90's. Our route will take us across the USA and Canada, where we will be offering clinics for players, coaches and women to learn to officiate. We have a strong focus on our younger players, and ask our women to become coaches, officials and role models for our young athletes.

Join us in our 2016 Promo Tour as we continue our momentum-2015 was a very busy and productive year for the IWFFA. You can read about our efforts in the recent Forward Pass magazine. We traveled abroad to many countries conducting clinics, tournaments and support for female flag football. Our biggest accomplishment was starting the very first women's flag football team in Cuba called the: Cuban Dixie Chicks. We invite players to join us in our continued promotions in Cuba this October as we offer: training, equipment, team building and help to establish leagues across Cuba. It will be an unforgettable experience.

As an IWFFA member, you should feel proud to be a part of such a great organization for female flag football. Contact our office to take the sport to it's next level. Enjoy the games, participate in all the social activities and make friends for life at the 25th Kelly McGillis Classic.

Now let the games begin!  
Sincerely, Diane Beruldsen,  
President/Founder IWFFA

## Message From Kelly McGillis

I would like to welcome you all to the 25th Annual Kelly McGillis Classic International Women's Flag Football Tournament. Key West is a gorgeous island with so much to offer. I hope you will take the time to really

explore all the bounty the place has, visually and culturally, and most of all... have fun. I am, as always, dwarfed by Diane Beruldsen's enthusiasm and dedication to the sport. It is my hope that you all grow from your experience this weekend, revel in the camaraderie, and celebrate one another and all it is that you have achieved. I send this with great love and true respect,  
Kelly McGillis

# TEAM OWNERS WINNERS CIRCLE

## Team Owners who will join our 2016 Winner's Circle

Our Monroe County schools girls flag football program offers all the schools in Monroe county the opportunity to enter a team of girls to represent their school for our Kelly McGillis Classic tournament for FREE. What a wonderful opportunity to support the schools, parents and help to develop such fine female athletes. Schools from Key West to as far as Key Largo will be competing in this year's tournament.

Equipment, tournament shirts, full registration and coaches were supplied to our local school teams: We thank these schools for promoting the program and their teachers who took the time to announce to all the girls and School Superintendent Mark Porter and secretary Sally Smith.

### Special thanks to Monroe County Schools

Here are our coaches, principals and persons who made the school teams possible: , Wendi Sullivan, Jose Zepeda, Billy Swanson, Tiffany Wheaton, Ashly Rooza, Deborah Dingler, Kim Butler, Daniel J Smith, Neda Preston. Gerald Adams Principal - Fran Herrin, HOB Principal - Mike Henriquez, Key Largo School Principal - Laura Lletaert, Key West High School Principal - Amber Archer Bosco and Poinciana School Principal - Christina McPherson.

### Special thanks to our Team Owners

To afford the school-flag football program, we sought "Team Owners" who would help to financially fund and become directly involved with their team. By the time this program went to print, we gained seven "Team Owners". We are grateful to each group and business who are local "mom and pop" businesses who cared for the girls and wanted to see them succeed and represent their school's. Each business will soon join our "Winners Circle" officially at the girls awards ceremony. Their name plates are displayed at the Monroe County School Administration Building in Key West on our "Winners Circle" plaque.

**Blue Heaven and Salute Restaurant - Team Owner since 2010**

Blue Heaven Restaurant - On September 19, 1992 Suanne the artist and Richard the writer cooked and served black beans, rice, and fish to their first lunch customers on the painted picnic tables under the tropical almond tree of their fine outdoor dining area. Before then, through the years, the property has hosted cock fighting, gambling and Friday night boxing matches refereed by Ernest Hemingway. A dance hall, a bordello and a playhouse have occupied the second floor. Today inside the Bordello Gallery above the restaurant, one can still peek through the sliding peep holes into the tiny rooms.

The restaurant has grown, just as the history and stories of the property itself, and has turned into one of the most

## WHOS WHO

### ► IWFFA – International Women’s Flag Football Association

The International Women's Flag Football Association (IWFFA) is an alliance of girls and women's flag football teams, leagues and individual players from around the world. An organization run by women. Our mission is to provide an opportunity for all females regardless of race, nationality, age, economic status or sexual orientation to enjoy healthy competition, have fun, develop teamwork skills, learn fair play, good sportship, standardize rules of the game, create new teams and unify exiting teams and leagues to help organize the sport. Our goal is to promote the educational process, assist our players through our tournaments, trainings and promotional tours to build self-esteem, confidence, enhance leadership skills to better compete in the business and political world to one day have peace and to professionalize the sport of flag football for women. We are a central office and support for girls and women's flag football, rank teams internationally, offer discounts for equipment and offer education and trainings in regions of the world where the sport does/does not exist. We also offer scholarship funds to underprivileged teams so that they may compete in IWFFA tournaments.

### ► Key West Women’s Flag Football League

(KWWFFL) The KWWFFL started back in '91 with 3 teams of women on the island. Not having more competition than that, the league decided to bring teams to the island for more competition which started this whole tournament thing! The KWWFFL is the only sports program in Key West, which does not charge any registration fee, and supplies teams with equipment and training. We hope other women's teams will offer girls the opportunity to play.

### ► Actress Kelly Mc Gillis - Our Name Sake

Kelly McGillis was born in Newport Beach, California. She decided to drop out of high school to pursue a career as

as waitressing, and snagged a few stage roles before landing a supporting part in the Academy Award nominated Reuben, Reuben (1983). This led to a lot of TV work and a lead role opposite Harrison Ford in the highly acclaimed thriller Witness (1985). Her most famous movie was Top Gun (1986) which became the highest-grossing film of the year and gave her some major name recognition. In 1988 she played with Jodie Foster in The Accused who won an academy award for her role. Kelly took a break from her acting to raise her two daughters Kelsey and Sonora and now continues to perform on stage, TV and movies.

► **Diane Beruldsen – President / Founder of the IWFFA and KWWFFL**

She started the first Brooklyn Women's Flag Football Team: Brooklyn Untouchables, then the Brooklyn Women's Flag Football League, New York Women's Flag Football League, Key West Women's Flag Football League, Kelly McGillis Classic Tournament (largest woman's flag football tournament), National Women's Flag Football Association as well as the International Women's Flag Football Association. She has traveled to Europe and introduced the sport in: Norway, Sweden, Denmark, Iceland, Belgium and Germany. Today, the IWFFA Nordic Region exists.

Her path is to take women's flag football to its highest level while unifying women's and girls flag football teams and leagues and to have the "women rule their own sport"! For Diane, Flag Football is a tool to teach skills to

The table is manned by Carol Landin, who did a phenomenal job last year and we are so happy she will do it again this year!

**Score Cards** - Before you play your game, make sure your team has a SCORE CARD. Fill out, return to report: Score of game, MVP picks for Offense & Defense for your team and your opposing team, All Star Picks and rate the officiating of your game.

**Coaching a Girls Team** - When you are not playing, why not help to plant the seed to keep our sport growing! Our local girls teams would love to have you come and help to coach them when they are playing. ### Ice Water Coolers

The IWFFA will provide ice water in coolers for our players which will be available at each side line. Please do not put your own sodas or drinks in these coolers. This makes the water dirty and is not fair for the next team playing on the field (yuck!). Beverages, Gatorade will also be available for sale at our concession stand.

### First Aid Station on field

We will have a minimal first aid station near or at the information table. If an ambulance is needed our field directors can call one for you. If you have a non-medical emergency and would like to be taken to the hospital, we can provide a driver to get you there. We also have medical clinics in Key West as an alternative option for players who do not have a serious injury. Check with your field coordinator for assistance.

**Field Coordinators** – Will be on each field taking reports on all the games. They will check rosters and have copies of IWFFA rules, score cards, all star select picks sheets in their possession. Any protests will be noted and recorded by them. They are our “mini”- tournament directors.

**Press Box** - Tammalan Walker & her special guest will be hot on the mike as she lends her famous special brand and style of announcing all the exciting field action for game to game coverage.

**Food** – You do not have to bring food, we will have at affordable prices at the field food concession. We offer breakfast, lunch, dinner and snacks. Baby's Coffee, Burgers, Hot Dogs, Pizza from John's Pizzeria, Fresh Cuban Sandwiches from 5 Brothers and more. Volunteers from First State Bank are manning the grills.

**Half Time Games** - All are invited to participate (players and fans)!

Half time games and contests will be held on the main field throughout the tournament at the end of each game. We will have contests for our fans and spectators including longest kick, accuracy – field goal attempts, furthest throw relay races, wheel barrel races and this year for the first time a bicycle built for 2 race!. Prizes awarded to the winners and "Golden Key Chains will be measured at the awards". The team with the longest chain - wins grand prize.

**Hole & Football Throw** - On the side line. Throw the football through the hole - 50 cents per throw -win prizes

**Raffle Tickets** - When our raffle people come with the tickets...get your money out! This year, we offer fabulous prizes donated by local businesses. Snorkel trips, dinners, jewelry & real Key West novelty items. Everyone buys raffle tickets because the prizes are sooooooo good! Winners will be drawn three times daily. You do not need not be present to win (just print your name and phone number clearly on your tickets)

**Bathrooms:** Located at the end of the playing fields. Let us know if we are running low on T.P. and please keep them clean!

**RECYCLE & Keep It Clean** - There will be two garbage cans next to each other. One for trash and one for recycables. Please dispose properly.

**Volunteers** – If you would like to help out with the event, please do. There is always plenty to do. Come to the information table to offer your assistance in any way. We would like to thank First State Bank again this year for offering their employees. For past 13 years, First State has given us more volunteers than any business in the Keys.

If you are an international team, do you use VIBER? or another app on your smart phone to cut costs of international calls. Let us know and we will try to communicate with you the most cost-effective way.

**Flag Belts** - Each team is required to provide their own Flag - A-Tag WFVS Sonic Belts. You may purchase belts at our information table, but supplies are limited. Order direct through our IWFFA office and save - \$60 per dozen.

**Footballs** - The tournament will provide each field with the official Wilson, TDJ all leather premium game football. Footballs may be purchased at our merchandise table. \$40 to non-IWFFA members / \$35 for IWFFA members. Check out our IWFFA LOGO and get your own IWFFA football. Buy now and avoid shipping charges.

**Pennies** - Teams need to designate their 3 offensive line players. We suggest you use the mesh type to show player numbers and sleeveless, so they are not so hot. If you do not have your own, you may purchase at information table.

**Player Pre Check** - Team Line-Up Prior to Game – 10 minutes before game time

We ask teams to come to field 10 minutes before game time, to line up on side line for player check (belts tight with flags on sides, proper size flags, proper fitting for belt sockets to ensure proper pull, non-metal cleats, no jewelry, long finger nails need to be tapped), and roster check. We will check to make sure all players are legit-

imate (we ask players to carry photo I.D. in their sport's bags in case there is question of your identity), and also to make sure shirt numbers match the roster (to aid in all star selection). Please do not switch shirt numbers during tournament. Remember no pockets allowed on your shorts or sports pants, and you are not allowed to tape pockets! If your team feels the opposing team has an illegitimate player on the field, call time out and tell the head official who will check the roster. We truly appreciate your team's cooperation in making the pregame check run smooth.

## Designated Voter

Each team should have one person responsible to pick up and return scorecards. Teams vote for their team & opposing team's MVP offense /defense, pick all stars for offense and defense, rate the official's performance. They also report the final scores. Score cards may be picked up at information table and need to be returned as soon as possible (so we can put the scores up on our score board!).

## Positions to Choose for our All Stars Teams

Offensive Team: QB, 2 Receivers, 2 Running Backs, Center, 2 Guards, Punter

Defensive Team: 3 Primary, 3 Secondary, 2 Safety, Kicker

## Score Boards

We have a quadruple system, where we take scores of games from both teams, field coordinators and head official. However, we encourage players to check their scores throughout tournament, to multiple-check! They are located next to information table. Scores can be a deciding factor in determining ranking of teams for the play-offs.

**Game Schedule** - Will be posted Thursday night on our website: IWFFA.COM, after the Captain's meeting at the Registration. And captins will be handed sheets for the tournament schedule to share with players. We use to post tournament schedule before teams arrived to Key West, but if there were last minute changes at the Captains meeting (which happens), posting games times previously, then making changes became too disruptive. For this reason, all teams will find out their final tournament schedule after the Captains meeting is held.

**Chain Gang / Team Schedule** – Every team is responsible to hold the chains as scheduled when they are not playing. We use a chain gang schedule so you can see when your team is scheduled. The chain gang schedule

# FIELD / TEAM RESPONSIBILITIES

will be given at the registration during captain's meeting and listed on our tournament web page. Check your team's game times to hold the chains. Penalty for failing to hold chains when your team is scheduled \$25 per missed game.

**Side Lines** - Teams are responsible for their sidelines or else they will be penalized. This includes behavior of their team and their fans. 15 yard penalty for unsportlike behavior.

**Players registering late** – Players who could not attend the meet & greet and who applied for a: "late registration at field" should go to the information table to register BEFORE you play your first game. Show your photo I.D., pick up your IWFFA membership card. You will then be checked off on your team roster which our Field Coordinators use to check players prior all games. If you are not cleared, and begin your play, you will be deemed an ineligible player and your team will forfeit the game. You must register before you play! Also, we highly discourage late registrations and ask for all players and team participants to be present at the Registration Thursday night.

**IWFFA Medical Information** – Every U.S.A. team is covered for up to \$25,000. There is a deductible. If you have an existing medical insurance, our insurance kicks in as your second insurance. If anyone gets injured during the tournament, you MUST report to us as soon as the injury occurs!

Playing against a team with same color shirt - If your team is playing against another team with same color, we will loan pennies for one team to use during that game. Come pick up at information table.

**No Switching Shirt Numbers** - Some teams have two sets of shirts, so that if they come up against a team with same color shirt, they use their 2nd set. But, if you switch colors, make sure you keep same number. You must keep shirt number you have on your roster

**NO Soliciting** - In order to make our social events successful, we ask our players to patronage sponsored IWFFA tournament events (printed in our program). Outsiders, who may step onto our turf, and try to promote their goods, services, and parties outside of our program, are taking away our opportunity to raise money for our organization. Think about the people who have worked on this event for 25 years! We truly would appreciate loyalty from our players and members.....

please. Solicitors will be asked to leave if found soliciting on our fields!

**Liquor on the field-** We strictly enforce the law and prohibit consumption of any alcoholic beverages on the public field. Violators will be given a summons and asked to leave the premises if caught drinking alcohol at field.

**WE RECYCLE!** - Keeping it Clean on the fields and helping with bathrooms

You may dispose your garbage in trash cans – located all around the complex, and recycle your recyclables (plastic bottles, papers, etc.) in the designated areas. If there is a bag getting full, please let us know and we will change it – tell us at the info table. We greatly appreciate your thoughtfulness and help. Also, if you notice the paper is running low in the bathrooms, or if there are any floods, let any of our volunteers know and we will take care of. Thank you.

## Security

Volunteers will monitor the field and we hope that should they have to speak to anyone, that they only have to ask once. Please abide by our directors, officials, volunteers and be nice to the other teams. Thank you for doing this.

**We welcome all comments** regarding the tournament, and ask that any criticism reported be accompanied with written suggestions to better any concerns. Email us your comments : iwffa@iwffa.com, following the tournament, which are most helpful as we then discuss and save for future tournaments. If you could send us within one week following the tournament it is best, but all comments at any time are welcome. Good comments are also appreciated.

**Sanctioned IWFFA Leagues** - If you are NOT a sanctioned IWFFA league and are interested in our program contact our office today. We offer membership discounts leagues, promotions, support, and more.

**Sanctioned IWFFA Tournaments** - If you would like to host a sanctioned IWFFA tournament in your city, let us know and check out our 2016 list of Sanctioned IWFFA tournaments

**The IWFFA is looking for a U.S.A. Director** - If interested, speak with the President: Diane Beruldsen directly who can be found at Information table - all around the field or email: IWFFA@IWFFA.COM
