LETTER FROM OUR PRESIDENT

Welcome to the 22nd Kelly McGillis Classic--we are back in Key West!

I want to welcome all the teams and fans to the island and thank all the team contacts who have organized their teams. Last year the tournament went to Cocoa Beach, FL in an effort to rotate the event as does the

Olympics. But the greater opportunity to support our girls and international teams has brought us back to Key West. I want to thank the organizers for the 21st Kelly McGillis Classic, Ed Gonzalez, Mary Angelini and Jaime Albury, for carrying the torch and producing a wonderful tournament. Thanks to all the teams and individuals who booked your stay through the IWFFA, which helps to support the tournament! Many thanks to our team owners, officials, advertisers, sponsors, volunteers and all who make this event possible! I ask our players to patronize the advertisers you see in this tournament program, because they have supported us and we should support them back. Let them know you are with the Kelly McGillis Classic!

Team Puerto Rico

We are proud to sponsor, and I would like to give a warm welcome to, our newest team from Puerto Rico and their coach, Edgar Santiago. This marks the first year Puerto Rico is represented in our competition, and so we add another flag for the International Women's Flag Football Association. For all these years, the Kelly McGillis Classic has

sponsored many international teams from Norway, Sweden, Denmark, Iceland, Finland, Scotland, Mexico and Canada, helping to make the tournament more competitive, diverse and to showcase female flag football from other countries. We can witness the different styles and talents women's flag football demonstrates from around the world, as well as from the different regions throughout the U.S., which truly highlights some of the best female flag football ever! And with every new country we bring under our IWFFA umbrella, we develop even further the unique female style of playing flag football. Yay!

Cindy Sheehan – Anti War Activist, Grand Marshall, Loose Woman

Cindy Sheehan is such a force of nature! You either love her or you hate her, because she is that powerful. And whatever your sentiments, you cannot deny that she has become a leader simply by following what she believes in. Cindy Sheehan is a woman who has turned a tragedy, the loss of her son, into a force to be reckoned with. She dared to tell the president of the United States, in front of the capital, that she would no longer pay taxes because 'he got her son'. She dared to camp outside the president's vacation ranch, which has inspired the "occupy" movement. Sheehan has the strength and guts to denounce propaganda distributed by mainstream news outlets. She ran for vice president alongside presidential candidate Roseanne Barr in the 2012 U.S.A. election. She speaks at engagements and rallies around the country, motivating people to question authority, to unite in dissent and to not blindly "accept" whatever

WHO'S WHO?

◆ IWFFA – International Women's Flag Football Association

The International Women's Flag Football Association (IWFFA) is an alliance of girls and women's flag football teams, leagues and individual players from around the world. An organization run by women.

Our mission is to provide an opportunity for all females regardless of race, nationality, age, economic status or sexual orientation to enjoy healthy competition, have fun, develop teamwork skills, learn fair play, good sportship, standardize rules of the game, create new teams and unify exiting teams and leagues to help organize the sport.

Our goal is to promote the educational process, assist our players through our tournaments, trainings and promotional tours to build self-esteem, confidence, enhance leadership skills to better compete in the business and political world to one day have peace and to professionalize the sport of flag football for women.

We are a central office and support for girls and women's flag football, rank teams internationally, offer discounts for equipment and offer education and trainings in regions of the world where the sport does/does not exist. We also offer scholarship funds to underprivileged teams so that they may compete in IWFFA tournaments.

◆ Key West Women's Flag Football League (KWWFFL)

The KWWFFL started back in '91 with 3 teams of women on the island. Not having more competition than that, the league decided to bring teams to the island for more competition which started this whole tournament thing! The KWWFFL is the only sports program in Key West, which does not charge any registration fee, and supplies teams with equipment and training. We hope other women's teams will offer girls the opportunity to play.

◆ 6th IWFFA World Challenge Game – USA

All Stars vs. International All Stars
Sunday, Feb 10th, after all the Kelly McGillis Classic championship divisional games have been played, will be our 6th IWFFA World Challenge Game! Since 2008 Team USA is up by just one game over Team International. Teams are allowed to choose players from the tournament, from all divisions to help decide who the national and international all star teams will be. Because there are more USA teams than International teams, we allow those born in other countries to join the international team. The game allows competing teams to join one

◆ Actress Kelly Mc Gillis - Our Name Sake

Kelly McGillis was born in Newport Beach, California, to Joan, a homemaker, and Donald McGillis, a general practitioner of medicine. She decided to drop out of high school to pursue a career as an actress and eventually attended Juilliard in Manhattan and Pacific Conservatory of Performing Art in Santa Monica, CA. She held a variety of jobs while pursuing her career, such as waitressing, and snagged a few stage roles before landing a supporting part in the Academy Award nominated *Reuben, Reuben* (1983). This led to a lot of TV work and a lead role opposite Harrison Ford in the highly acclaimed thriller *Witness* (1985).

This box office hit, directed by Peter Weir, got her noticed around Hollywood and producers took note of her. One of them was Jerry Bruckheimer, who cast her as Charlie Blackwood in the mega-hit *Top Gun* (1986) which became the highest-grossing film of the year and gave her some major name recognition. Ironically, that breakthrough role didn't help her career in terms of high-profile work. She played prosecutor Kathryn Murphy in *The Accused* (1988) with Jodie Foster who won an Academy Award for her role, but unfortunately for McGillis she was overlooked for any major nomination.

Never interested in being box-office gold, she remained loyal to the theater, even after being established as a major star during the mid to late 1980s, taking such various stage roles in such William Shakespeare plays as "The Merchant of Venice", "Don Juan", "Twelfth Night", "The Merry Wives of Windsor", "Mourning Becomes Electra" and "A Midsummer Night's Dream". In 1994 she scored the title role in the Broadway production of "Hedda Gabler" but unfortunately it only played for 33 performances before closing. She had two daughters in the early 1990s, and worked more sporadically on TV

and film so she could spend time with her family and owned her business, a restaurant in Florida. She worked on *Winter People* (1989), *Cat Chaser* (1989), *The Babe* (1992), *North* (1994), *At First Sight* (1999) and *The Monkey's Mask* (2000) as well as a string of made-for-TV films. She has completed a national stage tour of "The Graduate", playing the infamous Mrs. Robinson, and continues to act as she now focuses her life on Addiction Studies. She also has starred on the Loose Women's Team, given out awards to our players, and has supported this tournament with her name.

AT THE FIELD

INFORMATION FOR EVERYONE

Field Locations (3 Fields):

Wicker Field Sports Complex

Located at Flagler & Kennedy Blvd & 14th St.

Officiating and Player Clinic – Thursday, Feb. 7th 11:00 – 1:30 @ Wicker Field. Pre-Registration required.

Team Photos – Make sure we get your team photo. Go to information table 15 minutes before your 1ST game.

Practicing on fields before the tournament – teams are welcome to practice on the fields. There is no fee for this we only ask that you schedule the dates and times your team would like to practice with our office so we do not have teams practicing at the same times. Practice cut off time will be at 12PM, Wednesday, Feb. 9th. We appreciate your cooperation.

Games are played every 1.5 hr & most likely will begin at: 8:00AM / 9:30 / 11:00 / 12:30 / 2:00 / 3:30 / 5:00 / 6:30 / 8:00PM

Information & Merchandise Tables

These tables are where you will pick up and return your Score Cards (required by each team), can see updated scores of games and team results. There will also be a lost & found and answers to your questions. Tournament tee shirts, tanks, IWFFA hats and more items will be available here for purchase.

Water Bottles – Players are encouraged to bring their own water bottle. This is good for the environment.

Ice Water Coolers

The IWFFA will provide ice water in coolers for our players which will be available at each side line. Please do not put your own sodas or drinks in these coolers. This makes the water dirty and is not fair for the next team playing on the field (yuck!). Beverages will also be available for sale at our concession stand.

KW Rescue - First Aid Station on field

IWFFA is offering accident/medical insurance to each team for \$40. We strongly suggest teams take advantage of this as a trip to the hospital by ambulance alone is \$1,000. We will have a minimal first aid station near or at the information table. If an ambulance is needed our field directors can call one for you. If you have a non-medical emergency and you would like to be taken to the hospital, we can provide a driver to get you there. We also have medical clinics in Key West as an alternative option for players who do not have a serious injury. Check with your field coordinator for assistance. We want to thank KW Rescue for supplying us with a packed first aid kit.

Field Coordinators – Will be on each field taking reports on all the games. They will check rosters and have copies of IWFFA rules,

score cards, all star select picks sheets in their possession. Any protests will be noted and recorded by them. They are our “mini”-tournament directors.

Press Box - Tammalan Walker & her special guest will be hot on the mike as she lends her famous special brand and style of announcing all the exciting field action for game to game coverage.

Food – You do not have to bring food, we will have plenty at affordable prices at the field food concession. Laura and Jim will head our food concession and offer breakfast, lunch, dinner and snacks. Baby's Coffee, Burgers, Hot Dogs, Pizza, Fresh Cuban Sandwiches and more. Volunteers from First State Bank are manning the grills so be nice and tip them well!

PEPSI Half Time Games

All are invited to participate! Half time games and contests will be held on the main field throughout the tournament at the end of each game. We will have contests for our fans and spectators including longest kick, accuracy – field goal attempts, furthest throw relay races, wheel barrel races and more. Prizes will be awarded to the winners.

Raffle Tickets - When our raffle people come with the tickets...get your money out! This year, we offer fabulous prizes donated by local businesses. Snorkel trips, dinners, jewelry & real Key West novelty items. Everyone buys raffle tickets because the prizes are soooooo good! Winners will be drawn hourly so you don't have to wait. You do not need not be present to win (just print your name and number clearly on your tickets)

Bathrooms: Located in the middle of the 3 playing fields. Let us know if we are running low on T.P. and please keep them clean!

No open alcohol beverages are allowed on any field at any time! Violators will be asked to leave the area

RECYCLE & Keep It Clean - This year teams will be penalized \$25 for NOT RECYCLING! There will be plastic bags hanging on the field fence. Please dispose of all glass bottles, plastics and all recyclables in them!

Volunteers – If you would like to help out with the event, please do. There is always plenty to do. Come to the information table to offer your assistance in any way. We would like to thank First State Bank again this year for offering their employees. For the past 10 years, First State has given us more volunteers than any business in the Keys.

Team Owners who will join our 2013 Winner's Circle

Our Monroe County schools girls flag football program offers all the schools in Monroe county the opportunity to enter a team of girls to represent their school into our Kelly McGillis Classic tournament for FREE. What a wonderful opportunity to support the schools, parents and help to develop such fine female athletes.

Equipment, tournament shirts, full registration and coaches were supplied to school teams from our local schools: We thank these schools for promoting the program and their teachers who took the time to announce to all the girls and School Superintendent Mark Burke, Sally Smith.

To afford the program, we sought "Team Owners" who would financially fund this program and become directly involved with their team. By the time this program went to print, we gained three "Team Owners".

We are grateful to every "Team Owner" and each will soon join our "Winners Circle" officially at the girls and juniors awards ceremony. Without them, our organization could not have afforded to sponsor all the teams.

Special thanks to our coaches, principals and persons who made the school teams possible: Albert Fabio, Deborah Dingler (#1 recruiter), Ashly Rooza, Lynn Barris, Fran Herron, Steven Vincent, John Hughes, Wendi Sullivan, Elisa Jannes, Joe Giusti, Latisha Alce, Mary Lou Hoover.

We list each Team Owner in the order they came to us:

First Team Owner:
Steve Pribramsky & Zuelch – "More than an accounting firm: a dedicated network"

937 Fleming St, Key West phone (305) 294 – 8137, email: pribramskyzuelch.com

We work with clients at every step of the accounting, tax and business planning process, from payroll processing to major corporate financing. We can manage all aspects of a client's financial and business life. Steve Pribramsky & Zuelch team: HOB School "The Advisors"

Second Team Owner: GNO – Girls Night Out

Girls' Night Out is a women's networking group that started in Key West in October of 2006 with a small group of 16 women. It has grown to over 1,000 ladies locally and around the country, with sister chap-

ters starting up in Wisconsin, Pennsylvania and Missouri. Girls Night Out promotes woman-owned and operated businesses. Each month we host an event at a local restaurant, bar, theatre, spa, coffee house or gallery. The women of Girls Night Out sponsor many local women's charities and are the proud sponsors of the Gerald Adams GNO Cougars in this tournament. For more information contact Mary Lou at: mlhoover@mind-spring.com

Girls' Night Out team: Gerald Adams: "Girls Night Out Cougars"

Third Team Owner – Blue Heaven and Salute Restaurant

On September 19, 1992 Suanne the artist and Richard the writer cooked and served black beans, rice, and fish to their first lunch customers on the painted picnic tables under the tropical almond tree in our fine outdoor dining area. Through the years the property has hosted cock fighting, gambling and Friday night boxing matches refereed by Ernest Hemingway. A dance hall, a bordello and a playhouse have occupied the second floor. Today inside the Bordello Gallery above the restaurant, one can still peek through the sliding peep holes into the tiny rooms.

KEY WEST

The restaurant has grown, just as the history and stories of the property itself, and has turned into one of the most fun, delicious and popular places to dine.

Blue Heaven contributes and supports the community heavily over the years. And their owners are active citizens to better conditions for all.

Sue and Rich have just recently opened another fun restaurant in Key West: Salute ! and it's right on the beach. Volleyball, beach, salty water and a beach side café serving Italian and island style food.

FIELD TEAM RESPONSIBILITIES

Please Check Information Table first thing every day for any updated changes-

Read This Entire Program – Know what is going on with our 22nd Kelly McGillis Classic!

Tournament Director this year will be: Diane Beruldsen, President Founder of IWFFA – Any problems, questions, or concerns, please go to Diane. And don't be afraid to share good comments as well. (See who's who)

Head Official – Mark Walker - Any questions, are best to ask during Captain's Meeting during Meet & Greet, otherwise, catch him at the field. (See who's who)

Team Contacts - do we have your correct cell phone # - Make sure, if you are a team contact, that the information table and tournament director has your correct cell phone number.

Flag Belts - Each team is required to provide their own Flag - A-Tag WFVS Sonic Belts. You may purchase belts at our information table, but supplies are limited. To order call: Flag - A- Tag at: 800-747 – 3402 or Order direct through our IWFFA office and save - Flag A Tag Belts and Flags – \$60 per dozen.

Footballs - The tournament will provide each field with the official Wilson, TDJ all leather premium game football. Footballs may be purchased at our merchandise table. \$40 to non-IWFFA members /\$35 for IWFFA members. Check out our IWFFA LOGO and get your own IWFFA football. Buy now and avoid shipping charges.

Pennies - Teams need to designate their 3 offensive line players. We suggest you use the mesh type to show player numbers and sleeveless, so they are not so hot. If you do not have your own, you may purchase at merchandise table.

Player Check - Team Line-Up Prior to Game – 10 minutes before game time
We ask teams to come to field 10 minutes before game time, to line up on side line for player check (belts tight with flags on sides, proper size flags, proper fitting for belt sockets to ensure proper pull, non-metal cleats), and roster check. We will check to make sure all players are legitimate (we ask players to carry photo I.D. in their sport's bags in case there is question of your identity), cleat check (no metal cleats) and also to make sure shirt numbers match the roster (to aid in world challenge and all star selection). Remember no pockets allowed on your shorts or sports pants, and you are not allowed to tape pockets! If your team feels the opposing team has an illegitimate player on the field, call time out and tell the head official who will check the roster. We truly appreciate your team's cooperation in making this pre – game check run smooth.

Designated Voter - Each team should have one person responsible to turn in score-cards. Teams vote for their team & opposing team's MVP offense /defense, all stars for each division, world challenge picks & rate the official's performance. Score cards may be picked up at information table and need to be returned immediately (so we can put the scores up!).

IWFFA World Challenge VI Nominations - This year, we allow teams to nominate players from your team for our World Challenge Game. If you have a nomination, write on back of score card. Include Name (or shirt number), Team, Position. Immigrants playing on American teams are invited to join the International All Star team.

Score Boards - We have a triple secure system, where we take scores of games from both teams, field coordinators and head official. However, we encourage players to check their scores throughout tournament, to multiple-check! They are located next to information table.

Chain Gang / Team Schedule – For our downmarkers we create a chain gang schedule, in which teams will be responsible for holding chains following their own games. The chain gang schedule will be given at the meet & greet captain's meeting. Check your team's game times to hold the chains. Penalty for failing to hold chains when your team is scheduled \$25 per missed game.

Side Lines - Teams are responsible for their sidelines or else they will be penalized.

This includes behavior of their team and their fans. 15 yard penalty for unsportlike behavior.

Players registering late – Players who could not attend the meet & greet and who applied for a "late registration at field" should go to the information table to register BEFORE you play your first game. Show your photo I.D., and IWFFA membership card. You will then be checked off on your team roster which our Field Coordinators use to check players prior all games. If you are not cleared, and begin your play, you will be deemed an ineligible player and your team will forfeit the game. You must register before you play!

IWFFA Medical Information – Teams are offered medical insurance for this tournament for \$40. All players on your roster will be covered for this event if you purchased the insurance. If you did not pay the \$40 insurance fee, you DO NOT Have this coverage. Loose Women can buy for \$10 as individuals. NO LATER THAN FEB. 7TH

Sanctioned IWFFA Leagues - If you are NOT a sanctioned IWFFA league and are interested in our program contact our office today.

Field Coordinators - Our "Mini – Tournament Directors on each field"
Our Team of Field Coordinators really make the games run smooth. These volunteers hold team rosters (to check all players), report any incidences, gather all-star nominees, check the water, ice, and more. To report anything regarding the field condition you may go to our field coordinators.

Playing against a team with same color shirt - If your team is playing against another team with same color, we will loan pennies for one team to use during that game. Come pick up at information table.

No Switching Shirt Numbers - Some teams have two sets of shirts, so that if they come up against a team with same color shirt, they use their 2nd set. But, if you switch colors, make sure you keep same number. You must keep shirt number you have on your roster

NO Soliciting - In order to make our social events successful, we ask our players to patronage sponsored tournament events (which you can easily see in our program). Outsiders, who may step onto our turf, and try to promote their goods, services, and parties outside of our program, are taking away our opportunity to raise money for our organization. Think about the people who have worked on this event for 22 years! We truly would appreciate loyalty from our players and members..... please. Solicitors will be asked to leave if found soliciting on our fields!

Liquor on the field- We strictly enforce the law and prohibit consumption of any alcoholic beverages on the public field. Violators will be given a summons and asked to leave the premises if caught drinking alcohol at field. Some of our prizes may be liquor or beer, but they should be consumed elsewhere (for more enjoyment)

WE RECYCLE! - Keeping it Clean on the fields and helping with bathrooms
You may dispose your garbage in trash cans – located all around the complex, and recycle your recyclables (plastic bottles, papers, etc.) in the designated areas. If there is a bag getting full, please let us know and we will change it – tell us at the info table. We greatly appreciate your thoughtfulness and help. Also, if you notice the paper is running low in the bathrooms, or if there are any floods, let any of our volunteers know and we will take care of. Thank you.

Security - We will have Volunteers at the field and hope that should they have to speak to anyone, that they only have to ask once. Please abide by our directors, officials, volunteers and be nice to the other teams. Thank you for doing this.

We welcome all comments regarding the tournament, and ask that any criticism reported be accompanied with written suggestions to better any concerns. Email us your comments : iwffa@iwffa.com, following the tournament, which are most helpful as we save these and keep on file for future tournaments. If you could send us within two weeks following the tournament it is best, but all comments at any time are welcome. Good comments are also appreciated.

LETTER FROM OUR PRESIDENT CONT'D

“they” give us. She has her own talk radio show, “Cindy Sheehan’s Soapbox,” to educate the public (what mainstream media will not do). She is dedicated, smart, witty and gutsy, a leader and the essence of the IWFFA. The IWFFA uses the sport of flag football and IWFFA rules to teach skills to all females so that they can utilize those skills in their lives to better compete with men in the business and political worlds - to influence world affairs and, hopefully, to one day achieve peace. I am honored to have Cindy Sheehan at our 22nd Kelly McGillis Classic as our Grand Marshall, Keynote speaker, guest of honor and . . . Loose Woman!

IWFFA has a new head official for the United States: Mark Walker

Mark Walker has earned respect and the reputation as being one of the IWFFA’s best officials. He has officiated for the IWFFA since 2003 in Provincetown and Key West. In 2013, he officially takes on the duty as North American Head Official of the IWFFA and has offered to travel to our IWFFA tournaments to help ensure quality officiating.

This year during the weeklong event, we offer two clinics: Player and Officiating. Two years ago, in 2011, the IWFFA recognized the need for good quality officials for our tournaments and leagues. During 2012, the IWFFA spent much time in Scandinavia conducting officiating trainings. Here in Key West on Thursday, February 7, 2013 we offer our first of many officiating clinics in the USA, headed by Michael Rotter. If you would like to have such a clinic in your city, contact our office.

The 6th IWFFA World Challenge Game will be played after all the Kelly McGillis Classic Divisional Championship games are over. Since 2008, the USA All Star Team is up one game against the International All Star Team. I am proud that the IWFFA offers such a competition to allow players from competing teams to join one another to represent their region. If you are not playing, I hope for sure you will be in the stands to cheer both teams on and to enjoy a fantastic competition!

Women should rule their own sport!

We need to control our own sport. We know what we want. That was the purpose of creating the IWFFA, so that the women could decide what rules we would use and how the sport should be governed, in order to ensure quality flag football for females. The IWFFA was the first-ever International Women’s Flag Football organization, which came from the very first National Women’s Flag Football organization (NWFFA). The women made it happen. Women have been the frontrunners for flag football before it was popular. And now it’s more important than ever for women to unite. If we cannot unite, we will not be strong and instead of leading, we may soon be following and having decisions made for us. Don’t let what we have slip away. If you want to support this effort – sign up and buy the tee shirt at the information table.

Women should coach girls flag football!

Are you feeling old? tired? Is it not so easy for you to get out onto the field anymore? Or are you young and healthy but want to do something different? Try coaching a girls’ team, and give these young athletes a positive female role model.

Comaraderie

We have spent much time in developing social events for this tournament. This year they are fantastic! Every night we have a party/social event which you will enjoy. Please do not isolate yourself from the other teams. We are here on the island to enjoy the games and the camaraderie of our peers as well as to learn good flag football and good sportship. Take advantage for the presence of the players from other countries and across the U.S. and have a ball!

Now let the games begin!

Sincerely,

Diane Beruldsen - President/Founder IWFFA
