Letter from the President

Welcome to all!

We are gonna have a great time this weekend in the # 5 of our Ptown Classic Series. We have brought on Joey Piccolo, for our social director who will make sure all the teams have fun! As we have a great variety of teams from Canada and the U.S., we also have an exceptional crew of officials from Rhode Island. Georgeann Lewis is our Head Official, joined by: Mark Walker, Jane Eldredge and Shawna Southern.

I want to especially thank Sue Webster from the Piedbar, for being our Main Sponsor. Without the Piedbar's financial support, we truly could not have afforded this tournament. The cost for field, this year in Ptown! At Jerome Smith Field, and liability insurance alone is very expensive and there are so many other tournament expenses. Sue Webster brought us back to Ptown after a three year hiatus and is the reason why all of our social events this year will be at the Piedbar which also happens to be the most popular bar in town. Every night will be a fantastic party and I encourage all teams to participate in all the fun activities (Ms IWFFA contest – Saturday night!).

I want to thank Terry and Stacey of the Boatslip, for their hospitality and sponsorship and as our host hotel who have given our teams really great rates to help afford the tournament travel expenses. Many thanks to the local businesses in Ptown for their support as they have made us feel very welcome each year and especially this year.

If you notice, in this program, you will see advertisement from Key West businesses as well. Pretty far away you may think, but the island of Key West is our next IWFFA tournament, our largest and the businesses are gearing up for our HUGE - 20th anniversary celebration come Feb 6 – 14, 2011. I hope to see you all as all the teams from Scandinavia have promised to be there as well.

The 20th will be the last Kelly McGillis Classic (KMC) in Key West, as we will offer our sanctioned IWFFA leagues the opportunity to bid on the KMC to rotate from city to city. So, in 2012, the Kelly McGillis Classic will be in another city and you will have a say in where it will be. Make sure to read our upcoming

IWFFA Flag Football News which we email monthly to all our players. There you will have the opportunity to vote on many decisions the IWFFA will be making in our future for flag football. We want to create a more communicative organization and share decision making with our players.

The IWFFA has been especially busy these last six months. We have been working hard in Scandinavia promoting the sport and started seven new teams for the Scandinavian Region. The region needed more teams, and we traveled to these countries to do just that.

We also took time in the northeast here in the U.S. and held flag football clinics where we met some new leagues. We have been spending lot's of time outreaching to new and old leagues. The IWFFA has taken time this year, especially, to listen to players, teams and leagues to understand their needs. For 2011, the IWFFA's goal is to support leagues and what better way than to help them build up teams for their leagues. We will take a two month promotional tour of the U.S. to conduct player, coaching and officiating clinics. We ask if your area would like for the IWFFA to come to your town to offer these clinics. Contact our office to let us know. For 2011, we will provide medical insurance to all our players and liability to our sanctioned leagues. We will begin to organize regional tournaments, national and international competitions so that all teams can compete without having to travel so far. And the IWFFA will professionalize the sport of flag football for women.

In the coming months, the IWFFA and it's new committee's will lay out our road map to do all the work we have set out to do as we ask for your good energy and support for the IWFFA in return to work together to make the sport of flag football more organized and successful. Contact our office if you want to be a part of the IWFFA on a higher level.

So, for all the team players, coaches, officials and loose women, let this weekend be about camaraderie, fun, good sportship, learning new skills, support for one another and to experience the excitement.

Sincerely,
Diane Beruldsen
President / Founder IWFFA

All Star Nominations - This year, we allow teams to nominate all star positions. If you have a nomination, write on back of score card. Include Name (or shirt number), Team, Position. Don't forget to notice ALL positions

No Switching Shirt Numbers - Some teams have two sets of shirts, so that if they come up against a team with same color shirt, they use their 2nd set. But, if you switch

colors, make sure you keep same number. You must keep shirt number you have on your roster

Chain Gang - Each team is responsible to provide two volunteers to run the chains during their own games. Please have your chain people report to the head official 10 minutes prior to game time to acknowledge that they will do the chains. Keeping it Clean on the fields - We greatly appreciate your thoughtfulness and help.

We welcome all comments regarding the tournament, and ask that any criticism reported be accompanied with written suggestions to better any concerns.
