## LETTER FROM THE PRESIDENT

**Welcome to the 9th annual Kate Clinton Classic Women's Flag Football Tournament, and welcome to the International Women's Flag Football Association (IWFFA).**

Those of you who have just joined our organization for the first time should know that the IWFFA is an umbrella organization which exists to unite female flag football players not only in the USA, but around the world. We were the very first national flag football association for female flag football, the very first international female flag football association. The IWFFA actually introduced the sport of flag football in Scandinavia (Norway, Sweden, Denmark and Iceland) and continues to do so in other countries, cities and towns.

We support female flag football around the world by offering clinics to teach how to play, coach, officiate. We support those who take on the challenge of beginning programs in their areas by supplying equipment, guidance, a standard set of rules and ethics for the sport. We support female flag football by sponsoring hotel accommodations so teams can travel to compete in other cities and countries, we sponsor tournament fees, airline tickets. We provide media coverage to female flag football through our Forward Pass Magazine, On Air with the IWFFA radio show, monthly Flag Football News. We have attained female celebrities who bring main stream media attention to our tournaments and organization. We have gained media exposure in national magazines, local newspapers, national television, we have been highlighted in NFL's documentary: Football America, and featured on Lifetime TV show New Attitudes. We have over a dozen high quality videos on You Tube, we recognize founding mothers - women who started their own teams or leagues and began marking the history of female flag football through recognizing awards for athleticism and

team work since our beginning. Now we begin our huge project which is to create a documentary on: The History of Women's Flag Football. And in all of this, the most powerful action, the most powerful word you just read in the above paragraph, is the word "we". We.... includes you, who is now a member of the IWFFA. You paid your membership dues which supports our efforts for the promotion, expansion and eventual professionalization of female flag football. Thank you for your financial support and uniting with thousands of females all over the world.

### **IWFFA Flag Football Philosophy**

Flag football is a great sport, different from any other sport (and especially different from tackle football though in the United States these two sports tend to get mixed and clumped together). Flag is played with more finesse and strategy and offers many different skills so that any female may play the sport, and to play as a team. Flag football truly fits the female body and mind and allows females the chance to practice it's skills on the field to then transfer to other parts of their lives to empower females in which ever society and culture one lives in. Interesting for you to know that to become a sanctioned IWFFA league, each team must have a female captain, each league must have a female leader and each country must have a female representative. These IWFFA principals allows the women to take control of their own sport who can then be responsible to grow the sport in our own style and feminine way. It is not important to win, but rather it is more important to play the game clean, in a smart way, to play one's best with one's team.

The IWFFA mantra: "Experience the Excitement" does not simply mean playing the sport, or competing in a game, but rather, it implies to continue on with the journey and to take the sport farther. Join us in our journey!

**Diane Beruldsen**  
**President / Founder IWFFA**

# LETTER FROM THE TOURNAMENT DIRECTOR - DIANE BERULDSEN

## Rule #1 - READ THE TOURNAMENT PROGRAM!

### Welcome Players, Teams, Locals and Fans !

I hope you have had a nice travel to beautiful Provincetown. Whether you drove, flew or took the ferry, you have to admit it is stunning. And what a perfect time of year to play flag football! Special this year is our name sake: Kate Clinton, who joins us for the very first time on and off the flag football field. Kate will officially open the games with a pass to someone (she will throw the football), she will perform Friday and Saturday evening at the Crown & Anchor (our Saturday Night social is at the Crown & Anchor), and Kate will also present the awards at our Awards Ceremony! So she will be with us the entire weekend supporting us and female flag football.

Provincetown has truly supported the Kate Clinton Classic for all these years. From it's tourism office to local businesses, they have made it possible for us to afford the event. The registration fees do not cover the tournament expenses. It is the local businesses who make the event possible with their financial support, donation or in kind service for our tournament. We ask each of you to do the same and support those businesses you see in this tournament program and to let those businesses know you are flag football! To assist you with this, we have structured a game commencing Friday night, which will be explained at the registration party for teams to travel to all the local businesses included in this program. Your team will gain points throughout the weekend and at the awards ceremony, the team with the most points wins a grand prize. The grand prize will be FANTASTIC!

The cameras will be rolling and some of you will be interviewed for our Documentary: 'The History of Women's Flag Football'. Teams have been asked who started their team and league's they play in. We want to hear from as many women as possible, so please email our office before the tournament if you have something to contribute to the documentary, or communicate with me at the tournament.

At this year's 9th annual , we have our best IWFFA officials: Mark Walker, Jane Eldrege and Karen Jasinski-Dutil. Michelle Crone joins us again this year as Assistant Director (she scored highest ranking last year from those teams who competed). This year's program was a joint project. Without my good friend Martin Landin - I would have pulled my hair out. Thank you Martin for your hard work in helping to solicit businesses and being so good at it. I myself will

be the official Tournament Director, so if you have a compliment, gripe, question, suggestion - come to me.

This is a standard IWFFA tournament, most of you know the drill: score cards to be handed in. "What's a Score Card" you say? read under: 'Players Information' in this booklet. There you will understand how to choose all stars, mvp's, rank officials, etc. You will find important tournament information - detailed for the benefit of our players to know what is going on before and during your competition - so please read this program!

Following the tournament, a survey will be emailed to you, would you please be so kind to answer the survey? we really benefit from your comments and comply to your good suggestions.

At the time of this writing, we are waiting for 2 more teams to register (late registration fees will be implemented this year! no mercy) so, we cannot include the tournament schedule in this program. But, every player will receive an email with the tournament schedule - one week before the tournament, which as always, is subject to change. We will try to give you all the information you will need prior to the tournament.

Special Thanks to: Kate Clinton, Michele Karlsberg, Michelle Crone, Martin Landin, Bobbi Palma, Andy Fingado, Bryan Williams, Radu Luca, Erin Atwood, Brandan Motta, Kathleen Fitzgerald, KC Myers, our graphic artist: Rosaria Baldari, Keith Kenyon and Nauset School for loaning us their down markers and chains.

Our Sponsors: Crown & Anchor, Way Down Town, Harbor Lounge, Shawn Nightingale Productions, Conwell Ace Hardware, Provincetown Tourism Office. Media Coverage: Provincetown Banner, Cape Cod Times and Curve Magazine

ALL our advertisers (listed in our ad directory). Donations (listed in our thank you ) . Team Contacts who helped to organize their team for the tournament for whom without - maybe your team would not have made it to the games!

# LETTER FROM KATE CLINTON TO TEAMS

## Nothing says September like Women's Flag Football in Ptown. Welcome to the 9th Annual Kate Clinton Classic!

Many thanks to the hard work of the IWFFA organizers and volunteers for all your hard work. We're all glad you are back to play football and enjoy the guest houses, restaurants, clubs, shops and sheer natural beauty of our little town. I hope it's a great fun and wicked competition. Team rivalries turn into long friendships and just being together is a natural, legal performance enhancement. Have a wonderful weekend and come again next year!

Best, Kate
